Members adjourned for refreshments.

As the AGM had been preceded by the well-attended Stable Fly Symposium earlier in the day, discussions ensued on the undoubted success of the event, which had been convened by SFAG, Perth NRM, Shire of Gingin, and WABGA. Guest speakers participating were Dr David Taylor from USA, Dr David Cook & D Telfer (DPIRD), M Dobra (VWA) and R Kestel (WABGA), all contributing to a most interesting and informative day.
